

**Chipping Norton Health Centre,
Russell Way,
Chipping Norton**

This striking Health Centre represents the culmination of a joint venture for 'White House' and 'West Street' Surgeries offering accommodation for both practices and flexible facilities for private services.

The steel frame building was constructed over three floors and consists of 18 consulting rooms, 16 clinical rooms and an in-house Pharmacy, together with car parking.

The Centre has been designed and built to meet the highest environmental standards of BREEAM Excellent and was delivered on budget following a 60 week programme.

Client: White House Surgery
West Street Surgery

Value: £3.3m
