

**Fusion Leisure Centre, Frome**  
**Fusion Leisure Centre, Wells**

This project involved the internal refurbishment of two leisure centres. The works predominantly included structural alterations and works to connect into existing M&E services.

Additionally, a new glazed wall extension at Frome Leisure Centre created a new main entrance and reception area for public entry.

At Wells Leisure Centre works were undertaken over two phases with a sauna steam room completed as Phase One and Phase Two involved the main refurbishment works.

**Value: £2.5m (combined value)**
